??

FEATURES

Wide range of meeting tables with round and square tops, for coffee table, high table, and meeting table options. Very practical and cost-effective

Fit seamlessly within any number of commercial or education environments, from breakout spaces and meeting rooms through to libraries, staff rooms, and collaborative learning zones

Built with attractive weighted steel circular bases which provide significant strength and stability in Brushed Stainless or Black Powdercoat options

25mm tops are robust, provide a practical work surface and E0 board quality

Available in an engaging range of colours as standard or from a wide range of made to order boards

Easy to clean and also provide the strength necessary to stand up to bustling working conditions.
