FEATURES

Belongs to the BFX modern Planter Series

Adding living plants to your office or classroom layouts look amazing and they also reduce stress and energise the workspace

Planter Series includes Open Storage Shelves, Sliding Door Cupboards, and Swing Doors cabinet-top planter box options

Also includes Planter Wall Unit as another popular indoor plant furnishing to liven up any room

Constructed with E0 Board to ensure the air is safe and free from toxins

Available in a wide range of board colour options as shown

Planter Wall Unit comes with 12 Charcoal plastic pots

Plant displays create a visual sanctuary of calm in contrast to the stresses and demands of the work day

Adding planter furniture also prevents unsightly paperwork and clutter on cabinets making the office more organised and neat in appearance

Made in Australia
