FEATURES

Proudly Australian made

Six proven Flexi Teaching Walls – each to suit a range of educational situations and spaces, including – Mogo, Longreach, Birdsville, Mildura, Bourke and Amaroo Teaching Wall Settings

Mogo Setting is ideal for junior primary school classroom spaces - allows early learners to easily access games, readers, and learning resources, from tote trays, open shelving, and cupboards

Allows you to arrange units and then easily re-arrange to transform classrooms, libraries, staff rooms and admin areas into an ordered, uncluttered, and calm space to teach and learn

Flexi Teaching Walls comprises Open Shelf Units, Swing Door Cupboards, Stash and Workstation Units

Design is vital to achieving seamless integration between teaching wall units - pieces stand side by side with minimal gaps (2mm only) and allows for a 20mm overhang for a snug fit against walls

Constructed from easy to clean E0 board and cupboards supplied with magnetic push latches
