FEATURES

Create engaging classroom themes

Perfect package to help transform an old, tired learning room into an inspirational and resourceful educational wonderland

Acoustic rated, absorbs sound and helps to reduce reverberated noise

Lightweight, fire-resistance, made from eco-friendly 55% recycled PET plastic

Easily pinnable surface

Mural screens come with Peel and Stick backing for effortless do-it-yourself installation, or access BFX's installation service (available upon request)

Peel and Stick adhesive backing is suitable for plasterboard, plywood, plastics and most steel surfaces however rough brick, rough or smooth concrete wall types may require a contact adhesive, please contact your local BFX Sales Consultant to discuss your individual requirements
